

ABOUT

Cantina restaurant and bar is a lively eatery with a focus on sharing, local produce and Menorca's rich gastronomic traditions. Located within Hauser & Wirth Menorca on Illa del Rei, an island off Mahón harbour which is home to a decommissioned 18th-century naval hospital and a group of outbuildings.

Hauser & Wirth Menorca combines art, education and conservation, presenting an exhibition programme with ambitious new commissions by gallery artists across all media. The exhibition space comprises eight galleries and an outdoor sculpture trail which has featured works by Eduardo Chillida, Louise Bourgeois, Joan Miró and Thomas J Price among many others.

While the restaurant kitchen is located in the 18th century building that once housed the hospital's cooking area, the restaurant and bar are outdoors. The tables are found shaded amid an olive-tree forest and with views to the surrounding nature and harbour.

Cantina serves sharing plates of fresh fish and seafood, rice dishes and grilled meat options. The restaurant can also provide a buffet-style menu, with stations offering a wide range of seasonal produce. The buffet includes local desserts, drinks and wines.
